REMA TIP TOP CONVEYOR BELTS
PVC and PU process and conveyor belts

PVC AND PU CONVEYOR BELTING
Custom Solutions

REMA TIP TOP INDUSTRY offer the complete solution to all your conveyor belt needs. With the extensive range of PVC and PU belts alongside our traditional rubber belts.

Manufacture and service

- Full belt Fabrication
- Flights, Sidewall, Guides
- On site vulcanising Installation Service
- Quality Guarantee

Comprehensive range

A comprehensive range of PVC and PU belts available from stock. Food quality belts include white and blue PVC and PU, all food quality belts complying with stringent hygiene regulations.

The agricultural and process belts are abuse and tear resistant to suit the harsh environments of these industries. Machine tapes, feeder belts and folder gluer belts for the printing, paper and cardboard industries.

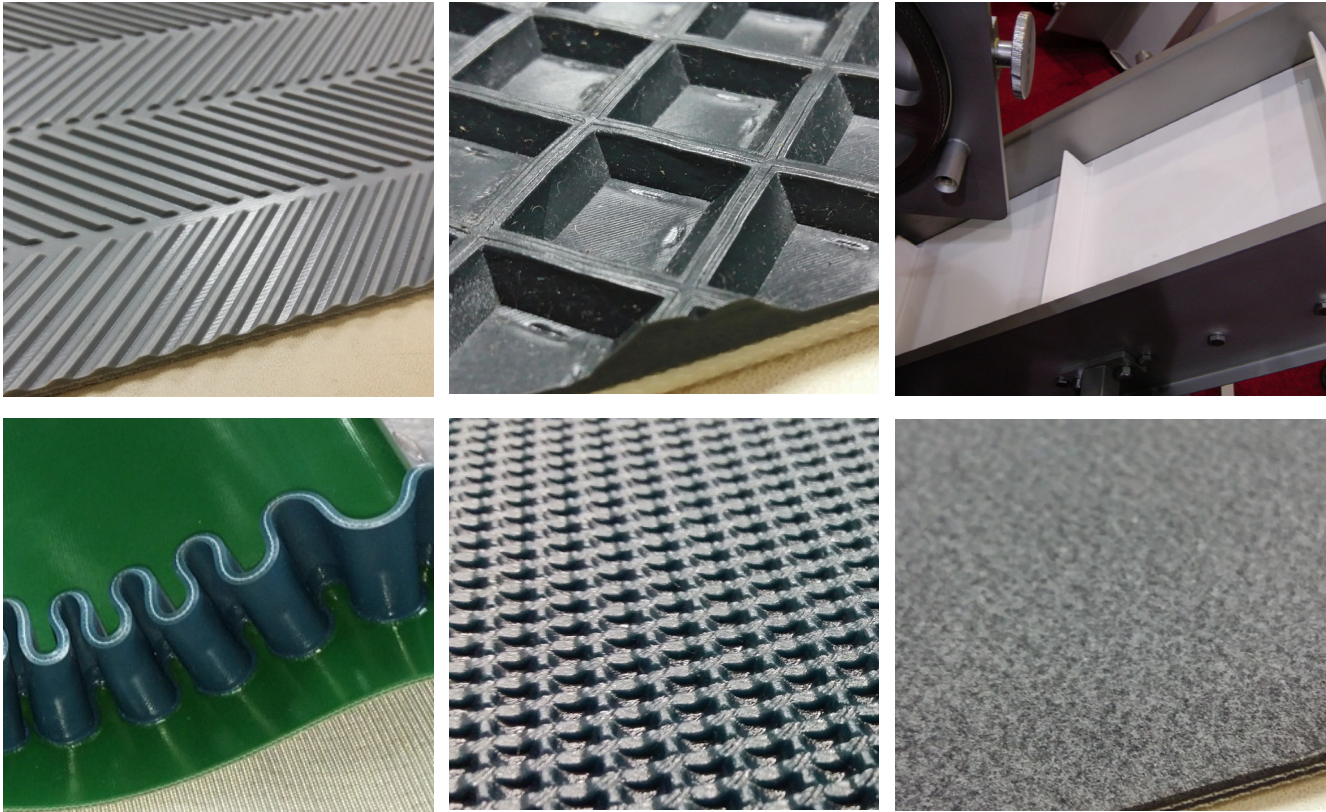

Heavy duty PVC belts for picking belts and Eddy Current Separator belts for the recycling industry. Solid PU belts in blue for the food industry or in green for the heavy duty process applications.
