The industry sectors our service engineers service from our Kells depot are:

- mines
- chemical
- power
- recycling
- OEM's and fabricators
- Trade

Ideally we are looking for someone with experience in this field or knowledge of the products through an engineering or bulk material handling background. Product training will be given.

The successful candidate will have:

- Excellent communication skills
- Good planning and organisational skills
- The ability to work calmly under pressure
- IT literate using Microsoft Office
- Ability to plan new budgets and report writing skills
- The applicant will require a clean driving license

Benefits:

- Remuneration package commensurate with position/ experience
- 25 days Annual Leave
- Pension Scheme and Bonus
- Company Car

In the first instance the applicant must submit their 'CV' plus existing remuneration package via email to Louise Britton, Group HR Manager – Email: louise.britton@tip-top.co.uk
