REMA TIP TOP - OPEN OVER THE EASTER BREAK

Dear Customer

As a valued customer of Rema tip top please be advised that during the current Covid-19 pandemic we continue to maintain our ability to provide essential site services to businesses that remain open as key industries.

Many of you have written to us identifying Rema as a Key supply chain provider to your specific company and we are privileged to be held in this regard. The purpose of this communication is to reassure you that under the relevant government guidance we will remain available to you.

We will however be closing our workshop facilities and none frontline departments over an extended Easter period between Friday 10th and Friday 17th April inclusive. We will be back at work fully on Monday 20th April 2020.

Your management, engineers, procurement and maintenance staff will have the relevant contact details of their local Rema sales and management team who are available to assist them as usual, however, you will find some useful numbers below.

Scotland	01698 891518
North east	01642 561338
