

// ONE BRAND // ONE SOURCE // ONE SYSTEM

REMA TIP TOP INDUSTRY UK LIMITED provides specialist expertise and the highest quality products for Material Processing, Surface Protection and Service with each of these services being controlled by a dedicated team of industry professionals.

As a total solution provider, the company actively develops engineered solutions for mining and quarrying, materials handling, mineral processing and general industries. REMA TIP TOP supports the business with superior technology, innovation, products and 24/7 service.

As part of a large global organisation, the successful candidate would be joining a small, highly skilled team dedicated to servicing key industries including Offshore Oil & Gas, Chemical Manufacturing and Power Generation.

We are seeking individuals to work in our Surface Protection facility based near Wigan, Lancashire. Candidates would be production based hand applying rubber sheet or hand sprayed coatings onto steel fabrications such as tanks and pipes to offer long term corrosion protection of the steel fabrications.

Direct experience in the application of sheet material or spray coatings onto steel would be highly advantageous, in particular rubber sheet or glass flake coating but candidates with a similar experience of applying other advanced surface protection materials would be looked upon favourably.

Key Attributes:

- Experience in the application of sheet material or spray coatings onto steel would be highly advantageous.
- Must be a team player
- Be positive and professional
- Must hold a UK driving licence
- Willingness to work away from home is a necessary pre-requisite

We offer:

- Predominantly based within our Lancashire facility, normal hours of work would be 37.5 hours per week with overtime available during busy periods.
- Employees would be provided with all the necessary PPE and training indicative of a global organisation.
- When required candidates would be expected to work at the client's location, mainly within the UK. Suitable company transport would be provided for such work.

Benefits

- Starting Salary £19,500 per annum plus additional overtime and allowances
- Free onsite Parking
- Generous Employer Pension Contribution
- 20 days Annual Leave
- 37.5 Hours Per week
